

UPMC Passavant Graduate Nurse Rotational Program

UPMC Passavant offers a full-time, 6 month rotational program for graduate nurses (GNs). This program, offering an exceptional experience and unique professional development opportunity, is designed for the graduate nurse who wants to gain experience across various areas of care, master skills at each level, and begin a rewarding nursing career at UPMC. There is one track available — Med/Surg Track.

WHY SHOULD I APPLY?

Excellent Education at a World-Class Health Care System

Each GN will be mentored by a nurse leader and experienced preceptors who will oversee each rotation, making this a fantastic opportunity to learn from many talented nurses. In addition, all UPMC GNs participate in the My Nurse Residency program.

Full-Time Employment with Benefits

Following the six-month program, GNs will remain full-time employees in one of the participating units or in the resource pool and benefit from a defined career ladder, a close network of support, and opportunities to grow. Full-time employees at UPMC enjoy a robust Total Rewards package including tuition assistance for continuing professional education.

WHERE WOULD I WORK?

ANCC Magnet Recognized UPMC Passavant is the tertiary care center north of Pittsburgh. This state-of-the-art hospital offers UPMC's brand of world-class medical care at two convenient campuses in McCandless and Cranberry to serve the communities and counties north of the city.

GNs will spend the first six weeks on one unit and the remaining time rotating among other medical-surgical units.
