

# UPMC Williamsport Graduate Nurse Rotational Program

UPMC Williamsport offers a full-time, 4 month rotational program for graduate nurses (GNs). This program, offering an exceptional experience and unique professional development opportunity, is designed for the graduate nurse who wants to gain experience across various areas of care, master skills at each level, and begin a rewarding nursing career at UPMC. There is one track available — Med/Surg.

## WHY SHOULD I APPLY?

### Excellent Education at a World-Class Health Care System

Each GN will be mentored by a nurse leader and experienced preceptors who will oversee each rotation, making this a fantastic opportunity to learn from many talented nurses. In addition, all UPMC GNs participate in the My Nurse Residency program.

### Full-Time Employment with Benefits

Following the six-month program, GNs will remain full-time employees in one of the participating units and benefit from a defined career ladder, a close network of support, and opportunities to grow. Full-time employees at UPMC enjoy a robust Total Rewards package including tuition assistance for continuing professional education.

## WHERE WOULD I WORK?

UPMC Williamsport is a 224 bed acute care hospital providing exceptional care to Williamsport, PA and the surrounding areas.

GNs will spend an initial orientation period on one unit and the remaining time rotating among the other units.

- **5 West** - Inpatient Rehabilitation
- **7 East** - Neuro/Oncology
- **TJU** - Ortho/Surgical

## WHO CAN APPLY?

This program is ideal for nursing students who know the specialty they'd like to pursue but are looking to explore and find the best fit in nursing at UPMC.

- Degree: While a BSN is preferred, applicants with an associate's or diploma in nursing will also be considered.
- Licensure: Pass NCLEX month prior to start date. Refer to job posting for specific requirements and details.

Selected applicants must be able to start in August (this includes passing NCLEX and having a Pennsylvania nursing license by the month prior to start date).
